

Choke Trailer Generic

Feature Benefits:

- **Analog Pressure Gauges**
- **Electronic Position Indicating** – provides real time choke position display
- **Choke Control/Hydraulic Valve** - Operated from same location
- **Climate Controlled Environment** – Protects sensitive equipment from extreme heat/cold and provides shelter from moisture
- **ESD Additional Shutdown Location**

Specifications:

Input:	230VAC 1Ph 60Hz & 120psi Air
Instruments	(4) Analog Pressure Gauges
	(6) Electronic Position Indicating
Controls	(6) Choke Control Valves
	(8) Hydraulic Control Valves
	(4) ESD Shutdown Valves
Dimension:	7' x 9' x 8'
Weight	5,370 lbs
